NOTICE OF MARKET-DOMINANT
PRICE ADJUSTMENT

Docket No. R2013-10

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF REVISIONS TO USPS-R2013-10/4 -- ERRATA
(October 18, 2013)

The Postal Service hereby provides notice of revisions to USPS-R2013-10/4. The revisions relate primarily to the establishment by the UPU of actual Inbound Surface Parcel Post prices for CY 2014, which supersede the placeholder estimated Inbound Surface Parcel Post prices used in USPS-R2013-10/4 when originally filed on September 26, 2013. A separate notice of revisions is being filed for the corresponding revisions to the Notice of Market Dominant Price Adjustments.

Revisions in USPS-R2013-10/4 are made to both the Preface and the Excel file. The changes in the Preface are explained at the end of the revised Preface. In the Excel file, the changed tabs are highlighted in yellow, and in those tabs, the changed cells are also highlighted in yellow. The Excel file shows the actual new rates published by the UPU for this category of mail, and the effects of substituting those rates for the placeholder estimates.

A new CD is provided which contains both new files (Preface and Excel), and this disk completely replaces the original disk.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
